Pop up box media hub

The Pop-Up Box Media Hub is a sleek, compact solution for managing multiple media connections in one place. Perfect for offices, conference rooms, and home setups, this media hub pops up to provide easy access to USB ports, HDMI, power outlets, and more, then tucks away when not in use. Designed to reduce cable clutter and streamline connectivity, it makes charging and linking devices a breeze while maintaining a clean, organized space.

Specifications:

MEDIA HUB Socket-Panel Material : Zinc Alloy
Box Material: steel, Panel Shape: Square, 2xUniversal, 1xHDMI, 1xUSB A+1xUSB C charge (5v,2.1A) 1xData(cat6) with 30 cm cable with logo in panel

- ▶ Beautiful Design, The lifting socket has an exquisite appearance, is simple and elegant, and can match various home decoration styles. Installed on the desktop or wall, it neither takes up space nor affects the overall appearance.
- ▶ Pop up table box
- ▶ Anodized aluminium standard in silver 2 power with one 10' power cord, dual charging USB (1 of each type A/C), and 1 HDMI and LAN Port
- ▶ (Pull Pop-up Design)With pull pop-up design, our pop up electrical plug socket can be hidden under the countertop when you do not need it. Keep your counter top or desk clean and save place, let's say goodbye to the meswires and plugs.
